**The City of Courtenay reports players can now request court lighting under these protocols:**

1. Players may phone in to Lewis Reception (250-338-5371) up until 3 p.m. to request same-day use for that evening.
2. Lights are available up until 10 p.m. Monday to Friday, or up until 9 p.m. Saturday-Sunday.
3. Lights take about 15 minutes to warm up, but turn off immediately once the switch is pulled. Players should consider returning to the parking lot prior to the end of their booking time, to avoid walking back in near dark conditions.
4. Lights are not available on Stat holidays or in adverse weather conditions (i.e. snow, ice, rain, flood, etc.)
5. Schedule is subject to change.
